

## Annex 3

### **How to study at the University Duisburg-Essen (UDE) and at Universities in the vicinity**

**- a short guide for mentors and mentees -**  
( Peter Bruckmann, [peter.bruckmann@web.de](mailto:peter.bruckmann@web.de))

#### **- Regular student**

If you want to become a regular student, you need

- a recognition as refugee by BAMF ( subsidiary protection sufficient)
- generally a good knowledge of German ( C1 with DSH certificate)
- qualifications ( high school diploma, bachelor, certificates of studies...)

which are regarded as equivalent to the German Abitur ( HZB). A first orientation of equivalence offers the database [www.anabin.kmk.org](http://www.anabin.kmk.org) . You can contact the International office of the University: [udo.rasum@uni-due.de](mailto:udo.rasum@uni-due.de) or [www.uni-due.de/international](http://www.uni-due.de/international), or [nico.neuhaus@uni-due.de](mailto:nico.neuhaus@uni-due.de), Tel. 0201 183 3745, who will check your diploma on equivalency. You need your documents and a German or English translation. If the documents are equivalent, you can enroll as a student. The fee is about 290 € per half year, a ticket for public transport is included.

If you want to study medicine, you have to apply directly at a central agency: hochschulstart. de, and you need excellent marks.

The subjects offered at Duisburg-Essen can be found at [www.uni-due/faq-studium](http://www.uni-due/faq-studium) or in the Vorlesungsverzeichnis [www.uni-due/verwaltung/vorlesungsverzeichnis](http://www.uni-due/verwaltung/vorlesungsverzeichnis) . The department „ International Studies in Engineering-ISE“ offers several bachelor degree courses in English, e.g. computer engineering, see [www.uni-due.de/ise](http://www.uni-due.de/ise) . You can also contact the support center for Engineering students: [www.uni-due/scies](http://www.uni-due/scies), contact: [scies-essen@uni-due.de](mailto:scies-essen@uni-due.de), Tel.0201 1836500, which serves as a central information and advisory board. They give also advice for other engineering courses such as construction engineering.

Information on the university is also available on the university app/MyUDE, which you can download on your smartphone: [www.uni-due.de/myude](http://www.uni-due.de/myude) .

**- If you have already finished your study** in your home country and have got a MA, BA or

PhD, the program ON TOP/ UDE will help and coach you to find a profession which corresponds to your qualifications. In this case, please contact [www.uni-due.de/ontop](http://www.uni-due.de/ontop) or [nadja.luschina@uni-due.de](mailto:nadja.luschina@uni-due.de) , Tel. 0203 379-7732 for further informations.

#### **- Guest student**

Without a recognition as refugee, you may apply for enrollment as guest auditor, which is free of charge. The following list offers modules open to guest students: [www.uni-due.de/studierensekretariat/gasthoerer](http://www.uni-due.de/studierensekretariat/gasthoerer) . You can also choose lectures from the general „Vorlesungsverzeichnis“ ( see above) ,but you need the consent of the lecturer. The International office will help you. Please contact [restart@uni-due.de](mailto:restart@uni-due.de), Mrs. Enger, Tel.0203 3792224.
